Dear Sir,

Animal Welfare Act Inspector Warrants

Following on from my letter to you of 26 January 2000 in relation to the Animal Welfare Institute of New Zealand (AWINZ) and Animal Welfare Inspector warrants please find enclosed statements from all fourteen staff currently seeking warrants (instruments of appointment) under the Animal Welfare Act and through AWINZ once it achieves status as an "approved organisation" under the Animal Welfare Act.

The staff are employed by Waitakere City Council with some operating under the North Shore City Council Animal Care and Control contract which is serviced by Waitakere City.

All but one of the personnel involved have already completed the total training course for the National Certificate and all Officers are of a high calibre and committed to the work involved.

I forward this information in support of the application by AWINZ for "approved organisation" status under the Animal Welfare Act 1999.

Yours faithfully
